# EOSC Policy Event

Strasbourg  
3 May 2022

**EUROPEAN OPEN  
SCIENCE CLOUD**

The EOSC Future project is co-funded by the European Union Horizon Programme call INFRAEOSC-03-2020 Grant Agreement Number 101017536

# A joint effort by...

- European Commission (DG CNECT, DG RTD)
- EOSC Steering Board
- EOSC Association
- EOSC Future H2020 project
- University of Strasbourg

## ***Programme Committee***

*Chair: Sara Garavelli, EOSC Future & EOSC Association*

### *Members:*

- |                             |   |
|-----------------------------|---|
| - Stephan Siemen, DG CNECT  | - Ron Dekker, EOSC Future                   |
| - Artemis Avgerou, DG CNECT | - Gareth O'Neill, EOSC Future               |
| - Thomas Neidenmark, DG RTD | - Katrien Witpas, EOSC Future               |
| - Volker Beckmann, EOSC SB  | - Rémi Barillon, University of Strasbourg   |
| - Karel Luyben, EOSC-A      | - Jérôme Pansanel, University of Strasbourg |
| - Ute Günsenheimer, EOSC-A  |   |

# Why this event...

- To discuss the current status and challenges of the European policy context surrounding and supporting the European Open Science Cloud (EOSC) initiative
- To bring together the key actors driving the EOSC policy development and implementation to facilitate alignment and collaboration
- To engage the broad community in the EOSC/FAIR data policy development
- To start a regular dialogue among the relevant stakeholders

**EOSC Symposium 2022**

14-17 November 2022, Prague, Czech Republic  
Pre-registration is open!

[events.eoscfuture.eu/Symposium2022](https://events.eoscfuture.eu/Symposium2022)

# Why Strasbourg...

- The French Presidency of the European Council
- France is a very active contributor to EOSC and a mature country in terms of Open Science and EOSC policy development
- To connect EOSC with the main activities undergoing at the European Parliament level

# Programme

- 09:30 - 10:30 **Opening Session**
- 10:30 - 11:00 *Networking coffee break*
- 11:00 - 12:20 **Session 1: EOSC Tripartite Collaboration in the context of EU policies & EOSC Future contributions to the SRIA mission**
- 12:20 -13:20 *Networking lunch*
- 13:20 - 14:40 **Session 2: EOSC/FAIR Data Policies: National & European alignment**
- 14:40 - 15:10 *Networking coffee break*
- 15:10 - 16:20 **Session 3: Implementing FAIR Data policies: Success stories, challenges and current barriers**
- 16:20 -16:30 **Closing session**

# A few things to remember before starting...

- Event hashtag: **#EOSCpolicy22**
- The event is recorded. All the slides and the recordings will be made available on the EOSC Future website (*eoscfuture.eu*) after the event
- A post event report capturing the main take-aways of the event will be also published
- The event is live-streamed via the EOSC Future website (*eoscfuture.eu*). For the interaction with the remote participants we use sli.do:
  - Slido.com
  - Code: #682313
  - Passcode: EOSCSTB22

*Feel free to share your comments and additional input (We will take them into account when drafting the event report)*

# Opening Session

- 09:45 - 10:00 Welcome from the host, *Rémi Barillon, Vice Président Recherche, Formation Doctorale, Science Ouverte, University of Strasbourg*
- 10:00 - 10:20 Towards a European Data Deal for citizenship and sustainable development, *Carlos Zorrinho, Member of the European Parliament, Portugal*
- 10:20 -10:30 Q&A

Funded by  
the European Union

*#EOSCpolicy22*

# Coffee break

10:30 - 11:00 CEST

**EUROPEAN OPEN  
SCIENCE CLOUD**

The EOSC Future project is co-funded by the European Union Horizon Programme call INFRAEOSC-03-2020 Grant Agreement Number 101017536

# Session 1: EOSC Tripartite Collaboration in the context of EU policies & EOSC Future contributions to the SRIA mission

- 11:00 - 11:10 **Open Science and EOSC in the ERA policy agenda**, *Silvia Bottaro, Legal Officer, Open Science Unit, DG RTD, European Commission*
- 11:10 - 11:20 **Open Science Policies at the National Level**, *Volker Beckmann, Special Advisor for the Implementation of EOSC at the French Ministry of Higher Education, Research and Innovation (MESRI) & EOSC Steering Board*
- 11:20 -11:30 **The voice of the EOSC stakeholders**, *Karel Luyben, President of the EOSC Association and Rector Magnificus Emeritus of the Delft University of Technology*
- 11:30 -11:40 **Connecting the dots, the role of EOSC Future in the Strategic Research and Innovation Agenda**, *Ron Dekker, Technopolis Group & EOSC Future Project Director*
- 11:40 -12:20 **Panel discussion** moderated by *Stephan Siemen, Policy Officer, DG CNECT, European Commission*

# Panel discussion Session 1

**Stephan  
Siemen**

Policy Officer,  
DG CNECT,  
European  
Commission

**Volker  
Beckmann**

Special Advisor for  
the Implementation  
of EOSC, MESRI  
(France) & EOSC  
Steering Board

**Ron Dekker**

Technopolis  
Group & EOSC  
Future Project  
Director

**Françoise  
Genova**

RDA France /  
Observatoire  
Astronomique de  
Strasbourg

**Karel Luyben**

President of the  
EOSC Association  
& Rector  
Magnificus  
Emeritus, TU Delft

**Michel  
Schouppe**

Senior Expert,  
DG RTD,  
European  
Commission

Funded by  
the European Union

*#EOSCpolicy22*

# Lunch break

12:20 - 13:20 CEST

**EUROPEAN OPEN  
SCIENCE CLOUD**

The EOSC Future project is co-funded by the European Union Horizon Programme call INFRAEOSC-03-2020 Grant Agreement Number 101017536

# Session 2: EOSC/FAIR Data Policies: National & European alignment

- 13:20 - 13:30 **Monitoring progress towards open Science as the new norm - National Contributions to the EOSC**, *Sofia Abrahamsson, Senior Research Officer at Swedish Research Council & Co-chair of the EOSC Steering Board subgroup « National contributions to the EOSC »*
- 13:30 - 13:40 **Policy development for making research data available: Research Council of Norway committee recommendations**, *Ola Berge, Senior Advisor, Norwegian Ministry of Education and Research*
- 13:40 - 13:50 **Regional projects' view on policy status and requirements**, *Jos van Wezel, KIT & representative of the EOSC 5b projects National Policies and Governance task force*
- 13:50 - 14:00 **Enabling Open Science: International dimensions** - the example of Astronomy, *Mark Allen, Director of the Strasbourg Astronomical Data Centre (CDS)*
- 14:00 - 14:40 **Panel discussion** moderated by *Roberto Sabatino, Research Engagement Officer at HEAnet & EOSC Steering Board member*

# Panel discussion Session 2

**Roberto Sabatino**

Research Engagement Officer at HEAnet & EOSC Steering Board member

**Sofia Abrahamsson**

Senior Research Officer, Swedish Research Council & Co-chair of an EOSC Steering Board subgroup

**Mark Allen**

Director, Strasbourg Astronomical Data Centre

**Ola Berge**

Senior Advisor, Norwegian Ministry of Education and Research

**Biljana Kosanovic**

Information Specialist, University of Belgrade

**Jos van Wezel**

KIT & Representative of EOSC 5b projects policy task force

Funded by  
the European Union

*#EOSCpolicy22*

# Coffee break

14:40 - 15:10 CEST

**EUROPEAN OPEN  
SCIENCE CLOUD**

The EOSC Future project is co-funded by the European Union Horizon Programme call INFRAEOSC-03-2020 Grant Agreement Number 101017536

# Session 3: Implementing FAIR Data policies: Success stories, challenges and current barriers

- 15:10 - 15:20 **Scaling up a national research data infrastructure: The story so far**, *York Sure-Vetter, Director at the National Research Data Infrastructure (NFDI), Germany*
- 15:20 - 15:30 **Developing a FAIR-based research ecosystem in The Netherlands**, *Ruben Kok, Director at the Dutch Techcentre for Life Sciences (DTL) and leader of the national FAIR programme line part of the National Programme Open Science (NPOS)*
- 15:30 - 15:40 **What do FAIR principles and EOSC Rules of Participation imply for research infrastructure policies? Developing the ENVRI policy framework**, *Ari Asmi, Director, RDA Europe*
- 15:40 -16:20 **Panel discussion** moderated by *Sara Garavelli, EOSC Program Manager, CSC-IT Center for Science and Director at EOSC Association*

# Panel discussion Session 3

**Sara Garavelli**  
EOSC Program  
Manager & Director  
at EOSC  
Association,  
CSC-IT Center for  
Science

**Ari Asmi**  
Director,  
RDA Europe

**Daniel  
Bangert**  
Ireland's National  
Open Research  
Coordinator

**Ilire  
Hasani-Mavriqi**  
Head of RDM Team,  
TU Graz & Chair of  
Management Board of  
the Austrian EOSC  
Mandated  
Organisation

**Ruben Kok**  
Director at DTL &  
Leader of the  
national FAIR  
programme line of  
NPOS

**York  
Sure-Vetter**  
Director, National  
Research Data  
Infrastructure,  
Germany

Funded by  
the European Union

*#EOSCpolicy22*

# **EOSC Policy Event**

## **Closing Session**

*Yannis Ioannidis, Professor of Informatics & Telecom at University of Athens, Affiliate Professor at Athena Research & Innovation Center, EOSC Future Coordinator*

**EUROPEAN OPEN  
SCIENCE CLOUD**

**Université**

de Strasbourg

The EOSC Future project is co-funded by the European Union Horizon Programme call INFRAEOSC-03-2020 Grant Agreement Number 101017536
